Develop critical thinking skills and a deep understanding of subjects.

Based on the prestigious University of Cambridge Assessment International Examinations (CAIE) syllabus, the A-Level program is the passport for students as they begin to shape their future. Its international recognition paves the way for our students to gain entry into undergraduate degree programs such as medicine, law, engineering and more.

Since its commencement, our students have been winning Top in the World, Top in the Country, High Achiever Awards from CAIE on yearly basis. They also received numerous awards and recognitions in international competitions. .

The CAIE GCE A-Level curriculum gives students the chance to build strong fundamental knowledge as they explore subjects in greater depth, develop essential cognitive and critical thinking skills, and learn the ability to apply their skills in real-world scenarios.

At UOW Malaysia, we develop Cambridge learners who are confident, responsible, innovative and engaged – equipped for success in the fast-changing modern world.
